

## 2. European Special Exhibition for Wyandot bantam and Germain Wyandot bantam in all colours (variants)

**MCH - Herning, Denmark**

**December 11 – 13 2020**

**Exhibition Rules, etc.**

### **Notification:**

All notifications are binding and must be no later than October 15, 2020, sent to the exhibition's office, or to the country contact.

Use a notification form for each race and colour. The form may be copied.

At the notification it must be clearly stated race, colour, sex and possible selling price.

By insertion of the animal at the show, the call number will be registered.

To become European championship at least 4 animals must be displayed. The collection must be of the same race and colour, both genders must be represented.

Of course it is possible to exhibit several collections or individuals.

The exhibited animals must not be older than 6 years.

Entry forms can be printed from the website below:

[www.racefjerkrae.dk/europaschau](http://www.racefjerkrae.dk/europaschau).

**European Champion:**

The title "European Champion" is awarded when notified at least 20 animals of the same breed. If there is at least 20 animals of the same colour variety within a specific breed, yet another title can be assigned.

The European Championship is awarded to the breeder of the top 4 animals in the same colour variety, with the highest combined score, in which both sexes are represented.

In case of tie both exhibitors are awarded the title of European Champion. Winners listed in alphabetical order.

### **Youth European Champion:**

The award of the title "European Youth Champion" takes place as described in the regulations for EE Europe Exhibitions.

The title "European Youth Champion" is awarded when notified at least 10 animals of the same breed. If there is at least 10 animals of the same colour variety within a specific breed, yet another title can be assigned.

The European Youth Championship is awarded to the breeder of the top 4 animals in the same colour variety, with the highest combined score, in which both sexes are represented.

In case of tie both exhibitors are awarded the title of European Youth Champion. Winners listed in alphabetical order.

### **Youth European Championship:**

When registered at least 10 animals in the youth department, the best animals are assigned a "Youth European Championship"

If there is at least 10 animals of the same colour variety within a specific breed, yet another championship can be assigned.

When registered 20 or more animals in the youth division, the best 1.0 and the best 0.1 is awarded a championship. If there is at least 20 animals of the same colour variety, yet another championship can be awarded to the best 1.0 and the best 0.1.

To win a "Youth European Championship" the animals must score at least "sehr gut" 94 points.

### **European Championship:**

The title of the "European Championship" will be awarded according to the rules for EE Europe Exhibition, according to the following assumptions :

a) When at least 20 registered animals in the same race, the title European Championship is awarded . Regardless of gender, the best animal is assigned the Championship.

b) When at least 20 individual registered in the same colour variety, another European Championships may be awarded within the breed.

c) When more than 40 animals registered within the same race, the best 1.0 and best 0.1 is awarded a European Championship. This also applies within each colour variety, provided they fulfil the requirement of at least 40 registered animals.

d) To win a "European Championship" the animals must score at least "sehr gut" 95 points.
